### Super Summer Sessions

When planning your activities over the summer keep in mind that our school has a fun filled, weekly themed summer program. This year our program begins on July 3 and ends on August 11. We offer 2 day, 3 day and 5 day classes throughout the six weeks. Any child between the ages of 3 and 5 are welcome along with 2 year olds who have attended one of our Toddler programs. It is a good way for the children to enjoy a group setting while working in the familiar Montessori atmosphere.

This summer we are very happy to have Mrs. Houman, Mrs. Rachael and Mrs. Gardinella teaching. The following is a list of some of the fun things planned.

#### Week 1- July 3-7

Closed July 4-

Mrs. Houman will be teaching the children all about the different modes of transportation. A visit to The Allaire Airport to see aircraft is scheduled.

#### Week 2-July 10-14
